

# Kindergarten Fees

## Statement of Tuition and Fees Kindergarten 2009-2010

---

### Registration Fee.....\$300.00

This fee assures a place for your child for the appropriate class and allows the Academy to begin making purchases on your child's behalf. This fee is paid at the time a student enrolls or re-enrolls in the Academy.

---

### Annual Tuition and Fees.....\$7,800.00

Tuition and fees cover the majority of the school's operating expenses: salaries and benefits for staff members, funds necessary to maintain the physical facilities and purchase textbooks and educational materials. Tuition and fees also cover the major expense of field trips in the Nashville area, milk and juice for all students, even those not participating in the lunch program, and the \$20 per student Parent Teacher Organization Dues.

Tuition and fees, except the Registration Fee, may be paid annually, semi-annually, quarterly or in nine monthly payments. A payment schedule for each plan is on the reverse side.
