

Sumner Academy Families,

Our students use a software program called Accelerated Reader at school. This program has a special feature called Renaissance Home Connect, which you can access outside of school from any computer with an internet connection.

Renaissance Home Connect is fun and easy to use. It allows you to view information about your student's progress in the Accelerated Reader and to look up books for future reading.

To log in to Renaissance Home Connect Website:

<https://Hosted318.renlearn.com/81029/HomeConnect>

Your username and the password is the same as the one your student uses at school. If your student doesn't remember the username and/or password, contact DeAnna Ball at dball@sumneracademy.org.

If you'd like to receive emails showing your student's quiz or test results, click the Email Setup link in Renaissance Home Connect and follow the directions. To be sure these emails reach your inbox, add homeconnectautodelivery@renlearnrp.com to your address book.

If you have questions about Accelerated Reader or Renaissance Home Connect, contact your student's teacher.
