As we roll into the second nine weeks of the school year, I would like to invite you to join me on certain mornings at school. **Thursdays** from **8:10 - 9 AM**, join me in the cafetorium. Bring your coffee, tea, or breakfast, and come for the conversation. The agenda is to use this as a learning opportunity. It is a chance for you to learn more about what is happening on campus, in specific grades, from me and each other. That's it.

If you are interested in joining me, please mark your calendar for these dates.

Spread the word.

## Message from the Head:

First, what an incredible Grandparents' Day! We had over 200 guests on campus. A huge shout out to the parent volunteers who helped shuttle people, greet guests and serve refreshments.

Second, I would like to share something personal: Fall is my favorite season.

The chill in the air and the rustling of the leaves in the breeze just seem to heighten my senses. One of the great joys of working at a school is enjoying seeing children doing the simplest of things and finding the greatest joy.

Children make piles of leaves only to throw them in the air or jump in a pile. No electricity is needed. No screen. Nothing other than nature. It is so simple but so joyous, and the smiles and laughter are infectious. I have seen this these past few days, and it warms my heart on these chilly days.

This causes me to say simply, thank you. Thank you for sharing your trust in us to work with your children daily. Thank you for allowing us the honor to help shape them into caring and compassionate people. Thank you for giving us the joy of knowing your children and working with them daily.

Please do not be too old, cool, or mature to find your pile of leaves and be a kid for just a little bit.

In partnership,

Chan
