

# Sumner Academy Soccer Camp

**June 6 - 10, 2022**

Join Coach Megan Waller for an exciting week of soccer skill building and fun.

This camp is designed for boys and girls of all skill levels in soccer. For those who have played before and those who have only a basic familiarity with the game.

We will focus on building or developing the four basic soccer skills: dribbling, passing, defending, and shooting.

For middle-school age players who have played competitive soccer we will focus on refining the basic soccer skills, techniques and strategy.

Campers should bring a water bottle, snack, sneakers, cleats, and a soccer ball every day. Shin guards are recommended but not required.

## **Grade Levels are for the upcoming 2022-2023 school year.**

Grade 1-3 8:30 am – 11:30 am \$160 for the week

Grade 4-8 12:00 pm – 3:00 pm \$160 for the week

Megan Waller is a Sumner Academy Alumn, a graduate of Cumberland University and current P.E. Teacher and Athletic Director at Sumner Academy. Megan has played competitive soccer since age 4. Megan has been the Head Coach at Sumner Academy for 3 years and Assistant Coach for two years prior to that.
