

Middle School Supply List 2020-2021 Eighth Grade

2020 Sales Tax Holiday: July 24-26

The State of Tennessee has set aside July 24-26 as a tax-exempt period for back-to-school supplies. To allow Sumner Academy Middle School parents to take advantage of this for some items, middle school students need only a spiral notebook and pens or pencils for the first week. Students should have all of their supplies by Monday, July 27, 2020.

Assignment and Notebook System

We recommend that each student have a binder that closes, has inside pockets, has notebook dividers for separate subjects and contains a pencil and pen pocket that fits into the notebook. Students also need to plan ways to keep and organize assignments and notes.

Container for Small Items

Most students benefit by having a container in their locker for small items such as markers, colored pencils, etc. The lid on this container should close securely to avoid spills.

Printer

Students should have access to a printer at home for certain papers or other projects. The printer can be very simple and does not have to be color.

Backpacks

Students should avoid large backpacks! The lockers do not have sufficient room for them and storing them elsewhere limits student access. Generally, students will only have access to backpacks not stored in their lockers at the end of the day. Backpacks and bags may not be carried from class to class due to safety and fire regulations.
